

# 35th Annual Youth Livestock Auction

**Show Time - Friday, September 1, 2017 Beginning at 12:00pm**

**Auction - Saturday, September 2, 2017 Beginning at 4:00pm**

**Buyers Appreciation Dinner Follows**

4-H and the youth of Dickinson County would like to welcome you as a prospective buyer for our Annual Livestock Sale. Your participation allows many young people of our communities to experience the marketing process and see the results of their efforts. Each spring Dickinson County youth select animals for the annual livestock production project. The animal is fed and cared for by the youth, shown at the Dickinson County Fair, and auctioned off during the fair. This youth 4-H livestock auction is the highlight of the project. Its success is dependent upon the bidders. Young people are taught the responsibility of caring for an animal, but also get experience in the american enterprise system. We hope you will consider bidding on an animal at this year's auction. If you have any questions about the sale contact one of the 4-H livestock leaders, a 4-H Member at the 4-H office at (906) 774-0364, or the Fair Office at (906) 563-8840.

Thank you for your interest and support!

## **General Information**

After purchasing an animal, you have two choices. You can sign a card stating the packing company you would prefer to process and freeze the meat and they will call when ready, or... you can simply re-sell the animal at the local market value.
